

Odor Control - Digester System

GREASE-KILLA

The Grease-Killa Digester System eliminates grease build up and matting.

The Grease-Killa System Benefits:

- Breaks down fats, oil, and grease
- Reduces sludge build up
- Emulsifies solids and greatly increases the digestion process
- Improves the aerobic environment stimulating good bacteria growth
- Reduces H₂S gas and odor by up to 99%
- Reduces Lift Station labor cost up to 90%
- Operates in as little as 24" of water
- Quiet operation - less than 50db
- No moving parts - air driven
- Installs in 10 minutes
- Lightweight and portable
- Made in the USA

All Digester Systems Include:

- One year warranty
- Control panel built to UL 508A standards
- Aeration Unit
- Air Filter System
- High pressure blower
- 25' of flex hose
- Cam lock fittings
- H.D. Aluminum weatherproof low-profile enclosure
- Completely assembled
- Each control panel is thoroughly tested prior to shipment
